

# Investor Media London Winter Soirée

**EVENT**

On December 7th 2017, Investor Media hosted its annual invitation-only event "Investor Media London Winter Soirée" at BAFTA 195 Piccadilly. More than 100 Family Offices, UHNW's, wealth managers and yachting professionals gathered to network and celebrate the festive season. The evening was held in partnership with BlockEx, Edmiston, Silver Arrows Marine, Thirty-Nine Monte-Carlo, Monaco Economic Board and Icon Capital Reserve.

The evening was kicked off with a speech by Justin Highman of Monaco Economic Board who highlighted the business advantages of Monaco. Other speakers were: Adam Leonard, CEO of BlockEx; Ron Gibbs, Chairman of Silver Arrows Marine; Yacht Designer Alberto Mancini of AM Yacht Design and Ross Beattie, owner of Thirty-Nine Monte-Carlo.

Guests enjoyed an endless flow of Tattinger champagne and admired paintings by Rodolfo Villaplana (winner of the Young Masters Prize) and Mark Dziewulski and a selection of beautiful crystal displays by Lalique.

We would like to thank all our event partners and guests for making the evening such an outstanding success.
