

FAMILY OFFICE INVESTOR SINGAPORE SOIRÉE

The “Family Office Investor Singapore Soirée” was held on 13 April 2018 at the Captains Lounge at the Singapore Yacht Show. More than 30 Family offices, UHNWI and yachting industry professionals gathered to network. The evening was held in partnership with Silver Arrows Marine, Thirty Nine Monte-Carlo and the Singapore Yacht Show.

The evening started with a champagne reception, followed by presentations by our partners and networking drinks. We would like to thank our event partners and guests for making the evening such a success.
