

# Investor Media Monaco Summer Business Cocktail

AFTER THE SUCCESS OF OUR EVENTS IN DUBAI, Singapore and London Investor Media hosted, in partnership with 39 Monte Carlo its fourth business networking event of the year in the heart of Monaco.

With an impressive attendance of over 100 guests made up of Family Offices and UHNWI's representatives from all over Europe they gathered to network with our event partners; Kryptos-X, Silver Arrows Marine, Luxury Water Toys, Monaco Yacht Show and Club 39.

We would like to extend once again a huge thank

you to each partner for their continued support of our projects. In addition to this, Monaco based NGO SheCanHeCan gave a very interesting presentation about their current work on gender equality and female leadership in Monaco.

This was Investor Media Monaco's second event in Monaco which will be followed by a two-day networking event during the Monaco Yacht Show in September.

Thank you again to all the attendees and see you in September.
