EVENT

The "Family Office Investor Dubai Soirée" was held on 27 February 2018 at the Bulgari Marina Yacht Club Dubai. More than 65 Family offices, UHNW's, wealth managers from all corners of the world gathered to network. The evening was held in partnership with Knight Frank, Montblanc, Silver Arrows Marine, Thirty Nine Monte-Carlo, Luštica Bay, Sun King Diamond Coating and Burgess Yachts.

The evening started with a champagne reception, followed by dinner with presentations by our partners. Dinner was served by Les Gastronomes and followed by after dinner networking drinks.

We would like to thank Anouch Sedef, Saleh Bin Ghalib, our event partners and guests for making the evening such a success.
